

# Sample K-1 Fiancé Visa Interview Questions

Use this list of questions to prepare for your K-1 visa interview. As you review the questions, discuss them with your fiancé if it's a topic that you haven't yet considered. Avoid the temptation to memorize word-for-word answers to the questions. Instead, use them as examples of the types of questions you will get in the actual interview. The questions that you receive could be slightly different. Don't forget – the interview is only 15-30 minutes long. The consular officer won't have time to ask you every single answer. Just relax and answer naturally.
