RE: Declaration for Form N-400, Application for Naturalization
Beneficiary: Selena Mendes Valdez

To Whom It May Concern:

As an applicant for naturalization under INA 319(b), I understand that I am expected to reside abroad with my spouse after naturalization and subsequently reside within the United States immediately upon the termination of my U.S. citizen spouse's employment abroad.

It is my intention to fly to Germany to join my husband, Kevin McPherson, within 30 days of becoming a U.S. citizen. We have already made arrangements for his brother to oversee our house in our absence. I also plan to return to the United States immediately after his service in Germany is complete. We anticipate that we will continue living in the same home in Oklahoma once his U.S. Army orders in Germany are complete.

I swear, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge

Sincerely,

Selena Mendes Valdez
